SELF-ADMINISTRATION OF EMERGENCY RESCUE MEDICATION

A. TO BE COMPLETED BY PHYSICIAN LICENSED BY STATE OF TEXAS

I have instructed _____ (student's name) in the proper way to use his/her medication. It is my professional opinion that this student should be allowed to carry and self-administer the following emergency rescue medication while on school property or at school-related events:

Emergency rescue medication (Quick-relief medication):

Name: _____

Purpose: _____

Dosage: _____

When to use: _____

For asthma inhalers only Can be repeated for severe breathing difficulty _____ times _____ minutes apart.

Call 911 or EMS if minimal or no improvement.

Medication is prescribed for the time period _____ until _____ (current school year maximum).

It is my professional opinion that _____ (student's name) should **NOT** be allowed to carry and self-administer any of his/her emergency rescue medication while on school property or at school related events.

Date

B. TO BE COMPLETED BY PARENT OR LEGAL GUARDIAN

I agree with the recommendations of my child's physician as noted above and have informed my child that he/she may carry his/her emergency rescue medication while on school property or at school-related events according to school district policy and the student agreement below.

Parent/Guardian's Signature

Date

C. TO BE COMPLETED BY STUDENT and SCHOOL NURSE

_____ Student knows name, correct dosage, purpose, expected effects, and side effects of medication.

_____ Student demonstrates correct use/administration of medication.

_____ Student understands that medication must have prescription label affixed, that authorization from school nurse must be carried, that allowing anyone else to use this medication will result in disciplinary action, and that the **PRIVILEGE** of carrying this medication can be rescinded for violating any part of this agreement.
