POLICY FFA (WELLNESS PLAN)

The District will allow individual campuses to select 6 exemption days per school year. These records are subject to audit by the Texas Department of Agriculture. No food items may be sold to students on these days during breakfast or lunch meal periods except by Student Nutrition Services.

Meals served under the National School Lunch, School Breakfast Program, Summer Food Service Program and Supper Program are the official meals of the District. The programs will be available to students every day that school is in session and outside parties may not provide these meals. Menu and a la carte items are determined by the Student Nutrition Services Department. In the event that an alternate non reimbursable meal is made available to students in lieu of the planned meal provided by the Student Nutrition Services Department, the responsible party will be charged for the loss in reimbursement.
