## Demographics

### Demographics Summary

86% of our students are Economically Disadvantaged

43% EB Students

13% SPED Students

64% Hispanic

16% African American

7% White

8% Asian

5% Other

Title I Campus

### Demographics Strengths

- AVID EXCEL and AVID support our diverse student populations with collaboration across content areas.
- We serve multiple cultures and engage with parents and families through our Magnet program.
- Adjusted to student enrollment through various course options and offering tailored student support, we can ensure that every student receives the assistance they need to thrive.

### Problem Statements Identifying Demographics Needs

**Problem Statement 1 (Prioritized):** Hispanic/Latino students accounted for 63.1% of all disciplinary incidents in 2023-2024 according to Review 360 data which is disproportionate to our Hispanic/Latino (H/L) population of 18.8%. **Root Cause:** Lack of mentorship for H/L students who repeatedly receive exclusionary consequences.

**Problem Statement 2 (Prioritized):** The attendance average for Cycles 1-4 of the 2023-2024 school year was 94%. **Root Cause:** Lack of understanding of the importance of attendance as well as minimal truancy consequences.

# Student Learning

## Student Learning Summary

Sellers uses MAP, CBA and STAAR data. Students are performing overall above other schools in their comparative grouping. Based on STAAR data, there was an overall incline in all subjects except 7th grade Math. Sellers Middle School needs to focus on Tier 1 instruction to increase student performance for the 2024-2025 school year.

## Student Learning Strengths

- Sellers MS Algebra I STAAR Scores increased from 2023 (+8% in Approaches, +37% in Meets, +31% Masters)
- Sellers MS 6th grade STAAR Math scores are projected to be on track with the district average for students to likely pass for the 2024-2025 school year.
- Sellers MS 6th and 7th grade STAAR RLA scores are projected to be on average with the district for the students likely to pass for the 2024-2025 school year.
- TELPAS 23-24 indicates that EB students are performing according to the district's overall composite score of a 2.7. 26% of 6th graders showed growth in one or more categories as well as 7th and 8th graders both showing a growth or 39%.

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** Sellers MS 7th grade preliminary STAAR Math scores projects a deficit of 11% of the district's projected average for the 2023-2024 school year. **Root Cause:** Lack of Tier I instruction that demonstrates differentiation in math instruction through modeling and role play, pacing, and classroom expectations.

**Problem Statement 2 (Prioritized):** Sellers MS 6th grade STAAR RLA data shows -5% of the district's average for masters for the 2023-2024 school year. **Root Cause:** Classroom structure and expectations, preparation and teacher exemplars for clear and precise understanding of the TEKS expectations of students.

**Problem Statement 3 (Prioritized):** Sellers MS 7th grade STAAR RLA data showed 63% of students passed for the 2023-2024 school year. **Root Cause:** Lack of differentiation in planning instruction that aligns with high leverage TEKS, teacher presence, and student engagement.

**Problem Statement 4 (Prioritized):** Sellers MS 6th-8th grade students taking TELPAS did not meet the SSP goal of 44%, but is in conjunction with the district's overall composite score of a 2.7. **Root Cause:** Student buy-in and reasoning behind TELPAS to build confidence in lower performing areas.

# School Processes & Programs

## School Processes & Programs Summary

Enrollment in electives and after-school activities remains notably below the district norms for areas such as Athletics and after school clubs and activities. Strategic planning, along with district/campus expectations and protocols implemented in the 2023-2024 academic year, has notably decreased the occurrences of misbehavior, late arrivals, and absenteeism. It is essential to continue to enhance foundational teaching and educator assistance at the primary level to drive improvements in student performance.

## School Processes & Programs Strengths

- Clear and consistent communication to staff via Smore Newsletter
- Increased communication with parents via Talking Points and Social media platforms
- Systems for Data Analysis and monitoring: Mini PD offerings, Structured CLC, and PD addressing student and staff needs throughout the school year
  
- Focused WIN Classes - EB WIN, Sped/Content Collaborations, Data aligned placements
- Math and ELAR Co-Teach model implemented 2023-2024 school year
- 2 Instructional Coaches as extensions of the campus Admin and Leadership Team
- Community Collaboration for Athlete Mentorship and Student Leadership (Magnet Focus)
- Admin mentoring for teacher Leadership and growth opportunities
- Monthly morale boosting events for staff and daily birthday celebrations for staff and students
- Teacher and Para of the month and year
- Weekly focused/strategic admin meetings with targeted steps and outcomes

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** During the 2023-2024 school year, Sellers MS Athletic Program was 21% of our enrolled 7th & 8th students which is a 3% decline from the 2022-2023 school year. **Root Cause:** Struggles with responsibilities, accountability, and structure for athletes in athletics and in academic classes.

# Perceptions

## Perceptions Summary

Data indicates substantial progress over the last year. Feedback from employees, feedback from parents, employee retention, and employee presence show enhancements in each of these domains. The general atmosphere and environment, as per this data, are more favorable when contrasted with data from prior years.

## Perceptions Strengths

- Enrollment for the 2023-2024 school year increased by about 100 students (12% increase)
- According to students, 29% of students felt extremely or quite confident that they will remember what was learned in their current classes next year and 64% felt somewhat or slightly confident.
- According to students, 29% of students felt that if they have a problem while working towards an important goal, they almost never give up on that goal.
- According to a parent survey, 89% of parents feel expectations for student behavior in classrooms and common areas are "Always" communicated to students and parents.
- According to a parent survey, 77% of parents feel they are "Always" welcome at the school.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** According to the 2023-2024 student survey, 93% of students felt a level of confidence towards remembering content they've learned this school year. **Root Cause:** Building confidence in the learning process for ALL learning types.

**Problem Statement 2:** According to the 2023-2024 Parent Involvement Survey, 89% of parents felt that there are minimal concerns with their child getting to school safely. **Root Cause:** Several buses are picking up and dropping students off late.

**Problem Statement 3 (Prioritized):** According to the 2023-2024 Parent Involvement Survey, 77% of parents felt the school "Always" has a welcoming and inviting atmosphere. **Root Cause:** Lack of consistent and targeted recruitment to be involved and serve on campus committees.

# Priority Problem Statements

**Problem Statement 3 Areas:** Student Learning

**Problem Statement 4:** Sellers MS 7th grade preliminary STAAR Math scores projects a deficit of 11% of the district's projected average for the 2023-2024 school year.

**Root Cause 4:** Lack of Tier I instruction that demonstrates differentiation in math instruction through modeling and role play, pacing, and classroom expectations.

**Problem Statement 4 Areas:** Student Learning

**Problem Statement 5:** Sellers MS 7th grade STAAR RLA data showed 63% of students passed for the 2023-2024 school year.

**Root Cause 5:** Lack of differentiation in planning instruction that aligns with high leverage TEKS, teacher presence, and student engagement.

**Problem Statement 5 Areas:** Student Learning

**Problem Statement 6:** Sellers MS 6th-8th grade students taking TELPAS did not meet the SSP goal of 44%, but is in conjunction with the district's overall composite score of a 2.7.

**Root Cause 6:** Student buy-in and reasoning behind TELPAS to build confidence in lower performing areas.

**Problem Statement 6 Areas:** Student Learning

**Problem Statement 7:** According to the 2023-2024 Parent Involvement Survey, 77% of parents felt the school "Always" has a welcoming and inviting atmosphere.

**Root Cause 7:** Lack of consistent and targeted recruitment to be involved and serve on campus committees.

**Problem Statement 7 Areas:** Perceptions

# Goals

**Goal 1:** Garland ISD will ensure ALL students graduate prepared for college, careers and life by increasing student performance measures, postsecondary readiness and graduation rates, and decreasing student management incidences.
