North Garland High School Mam'selles & La Petites Line Tryouts 2024-2025

Dear Mam'selle & La Petite Hopefuls and Parents,

We are excited that you are considering becoming a member of our organization! Drill team has many wonderful benefits including great high school memories, lasting friendships, and a sense of pride that comes from being a part of a team. Even if you are unsure of your decision, please attend the practices, ask questions, and see what Varsity and JV Drill Team is all about!

General Information

In the upcoming year we will be working hard to grow as a team and experience new things. In the summer, Varsity will be attending **camp June 23-25** and JV will be doing a home camp during the week of **July 22-26th**. At camp we will learn most of our pep rally and some football routines. Varsity performs at all home and away Varsity football games, JV performs at select JV football games, both drill teams perform at select home basketball games, march in the Labor Day Parade, and the MLK Parade, and perform at various community events throughout the year. In the spring, we compete and host our annual spring show. Some years we even have the opportunity to take a trip to perform somewhere fun!

There are no prerequisites for becoming a Mam'selle or La Petite, such as having previous dance or studio experience. JV Drill team is open to 9-12th graders and Varsity is open to 10-12th graders. You just need a positive attitude and a willingness to learn and work hard. There is no set number that can be chosen to be on the team. Varsity practices begin in the morning either at 7:00 am, and we have some after school practices on Tuesday, or Thursday as needed. JV practices usually on Mondays during the fall semester and twice a week during the spring semester after school from 3:30-5:30. If you do not have a ride, do not worry as many of the Mam'selles and La Petites carpool to and from practices and are always willing to help each other.

I'm sure you are wondering about the cost of being a part of this organization. Varsity team members will pay for all practice, performance wear and team camp between April and August of their tryout year. JV team members will have payments from May to July for the school year. Please remember that the first year is the most expensive and the cost goes down considerably after that.

Fundraising is an intricate part of being a Mam'selles or La Petite and all members should be participating throughout the year but it is not required.

Mam'selles and La Petites...

- are role models for North Garland High School.
- uphold a high standard of behavior that is necessary for the integrity and reputation of the organization.

- JV team members commit to a full year of drill team single blocked on A days. (currently A2 but could move to B1. Also a PE/Fine Arts credit)
- are required to attend class and practice in person
- maintain passing grades each grading period. UIL Requirement
- attend all morning (7:00 am varsity only) and after school practices (4:30pm – 6:30 pm varsity, 3:30-5:30 JV).
- are expected to meet high standards for practice and performance. Auditions are held for most performances.

For Parents:

The Parents of the Mam'selles have organized and formed a "parent organization/Booster Club". The parents of each Mam'selle will automatically become a member of the "Parent Organization". The organization meets once a month at the high school for a formal meeting and to discuss upcoming dates and events.

The goal is to form a La Petite Booster Club during the 24-25 school year

The main purpose of the Parent Organization is to provide the drill team with things that are not covered by the drill team budget such as water jugs, the traditional homecoming gifts, competition gifts, scholarships and the annual Spring Banquet. In addition, the Parent Organization has been able to assist the director with funds for costumes, camps, competition and spring show.

Please note: the parent organization fundraising committee may present VOLUNTARY fundraising opportunities to assist your family in raising dues.

Mam'selle Calendar of Events/Payments

The prices on the Mam'selle order form are not approximate and are subject to change.

Please do not let the financial investment of Mam'selles be your determining factor, all payments for the year are listed below and all payment due dates are announced with plenty of notice. Many required items may be purchased from graduating Mam'selles at Senior Sell Back Night at a reduced price. Most items will only be purchased once and used all three years of Mam'selles. If your child was a La Petite some items will carry over into Mam'selles. Remember that the first year is the most expensive and the cost will be **SIGNIFICANTLY LESS** in the following years.

NGHS Drill Team Expectations and application signature page.

1. Being on time means, sitting in your squad in drill team position with your hair tied up, jazz shoes on, and water bottle next to you. If it's a day you need to bring your poms, prop, or an item to turn in, you must have it with you at the beginning of practice when we meet in squads.
2. Phones should be put away and not used during practice time unless instructed to do so. Phones should be silenced or turned off.
3. Students are expected to check the team band app daily for updates, information and any possible message from the director.
4. Our team has student leaders in place to help support the director and team. They will message their squad members from time to time. It is important that each member communicates with their officer when necessary.
5. All items and costumes borrowed must be returned clean and in good conditions. Specific instructions will be given on how to wash specific costumes or uniform pieces. General rule is to gently hand wash and air dry each piece. Please refer to cleaning instructions given by the director prior to cleaning any item.
6. If you need to sign the point book due to any demerit, you must have your merits with you at the beginning of practice to turn in.
7. Demerits will be recorded at the beginning of each practice. Merits should be presented at that time. Demerits received at a performance will be documented in the following practice.
8. All black practice day: Dancers must wear a fitted tank top or t-shirt with leggings or shorts. Tops and bottom must be solid black and fitted.
9. If a drill team member goes to tutorials after school when we have practice, they must return no later than 3:40 pm with a teacher note. Students must inform their director when they are going to attend a tutorial that conflicts with any practice time.
10. If a drill team member is going to be absent or late, they must message the director through the Band app before the meeting time.
11. In case of an injury, students can visit the athletic trainer **before or after practices**. Appointments are made directly with the athletic trainer and directors must be notified if the appointment runs into practice time.
12. Do not get a new piercing that requires you to keep jewelry on. Zero jewelry for practices and events unless it is the team earrings. Having a fresh piercing is not an excuse to wear jewelry. Handbook states no jewelry including spacers for practices and events. A new piercing does not exempt that.
