2025-2026 Supplemental Pay

Provision and Applications of Garland ISD District Salary Schedule

Hourly Employees

District personnel employed on an hourly basis are hired and placed on a wage scale commensurate with the position and established by the Board of Trustees and Administration. Under no circumstances is an hourly worker to be placed on a higher hourly rate of pay without prior authorization from Human Resources.

Payday

Payday is the 27th of each month for paid professional and paraprofessional employees. Payday will be the preceding Friday when the 27th falls on a weekend. In December, payday will be the last workday before winter break. For Biweekly paid employees (Food Service, Maintenance, Transportation, Warehouse, and Substitute), payday is every other Friday. An employee's payroll statement contains detailed information, including deductions, withholding information, and accumulated leave.

Mandatory Deductions

Medicare Tax - For all employees hired after April 1, 1986, a 1.45% Medicare Tax is deducted, which is matched by the district and sent to the Social Security Administration. The benefit of this tax to the employee is that at the age of 65, the employee would be eligible for free Medicare Part A coverage if this tax or a combination of this tax and regular Social Security participation has been paid for at least ten years (40 credits or 40 quarters).

Teacher Retirement - Effective September 2023, 8.25% of the employee's gross salary is sent to the Teacher Retirement System of Texas for deposit in the employee's account once the employee is eligible for TRS membership. This money accumulates with interest as a tax-deferred retirement benefit. The state also contributes to the retirement system. The money that an employee contributes and the interest that money earns may be withdrawn only if the employee ceases to work for a Texas public school. Upon withdrawal, federal income tax is due on the principal and interest that has been treated as tax-deferred. For more detailed information on the retirement system, contact the Texas Teacher Retirement System at (800) 223-8778 or visit the TRS website at www.trs.texas.gov.

TRS Care - TRS-Care receives state general revenue contributions equal to 1% of the salaries of all active public education employees. In addition to these contributions, TRS-Care is funded by retiree premiums as well as contributions from active public education employees and local school districts. The active public education employee contribution rate is 0.65% of payroll, while school districts contribute 0.55 % of payroll.

FICA Alternative- All employees who are not eligible to participate in the Teacher Retirement System of Texas (part-time, seasonal, temporary employees). Employees are not subject to Social Security taxes while covered by this plan. 7.65% of an employee's gross salary is contributed to the FICA Alternative Plan. Contributions to this plan are on a pretax basis. Any previously earned benefits under another retirement plan, such as Social Security, will not be reduced by participation in this plan.

2025-2026 Supplemental Pay

Guidelines for Supplemental Pay

- Policy DK (Local) states: “Non-contractual supplemental duties for which supplemental pay is received may be discontinued by either party at any time. An employee who wishes to relinquish a paid supplemental duty may notify the Superintendent or designee in writing. Paid supplemental duties are not part of the District's contractual obligation to the employee, and an employee shall not expect continuing assignment to any paid supplemental duty.”

- Policy DEAA (Local) states: “The Superintendent or designee may assign non-contractual supplemental duties to personnel exempt under the Fair Labor Standards Act (FLSA), as needed. [See DK(LOCAL)] The employee shall be compensated for these assignments according to the compensation plan of the District.”

- Additional payment is given to a regular employee beyond their base pay for additional considerations or approved purposes at approved amounts and is comprised of:

Stipends: compensation that can be established on a regular basis with an equal amount per pay period being paid over the length of a contract or a specified period of time and for which monthly documentation is not required by Payroll or Human Resources. Human Resources must approve the approval of a stipend that is not attached to a position, such as travel expenses, or given due to employee status, such as advanced degrees or employment assignment, after consultation with appropriate administrators.

Supplemental Pay: compensation that is occasional, periodic, or sporadic for additional considerations by the employee and is not paid in equal amounts each pay period and for which specific documentation must be submitted and approved according to these guidelines.

While not contractual, overtime is paid to employees considered non-exempt under the Fair Labor Standards Act (FLSA) for work done beyond 40 hours per workweek. Approval of overtime should be given before the work begins. An Overtime Pre-Authorization Form must be submitted and approved by a supervisor according to district guidelines.

- All stipends and supplemental pay amounts or rates must be approved by the Board and published in the District Salary Schedule booklet.

- All monetary compensation to an employee must be made through the payroll system to maintain proper records for reporting purposes to state and federal agencies.

- **Non-Exempt Employees** under the FLSA include employees whose duties do not meet FLSA exemption criteria. Non-exempt employees will be compensated according to the following Supplemental Pay guidelines:

For work done over 37.5, but 40 or fewer hours per week, non-exempt employees who are scheduled for 37.5 hours per week shall be compensated in one of two ways:

2025-2026 Supplemental Pay

Guidelines for Supplemental Pay

1-Compensatory time equal to time worked

2-Pay equal to the straight time at their hourly rate, without any overtime calculation

For work done over and above the 40-hour workweek, non-exempt employees shall be compensated in one of two ways:

1-Compensatory time equal to time-and-a-half of time worked

2-Pay equal to time-and-a-half of their hourly rate for time worked

- **Exempt employees** do **not** qualify for overtime pay or compensatory time

- **Administrators:** For the purpose of determining supplemental pay, the term administrator refers to any central office administrator, principal, or assistant principal. These individuals **do not** qualify for overtime or supplemental pay
 - **Exception:** Administrators may be eligible for additional pay if the work performed is beyond the scope of their professional contract duties. For example, they may supervise an athletic event for the athletic department or a summer school program as long as the work does not conflict with fulfilling their regular duties and responsibilities. Approval must be obtained explicitly in advance from the administrator's supervisor.

- All supplemental pay items must be entered through Kronos, recording:
 - ✓ description of work performed
 - ✓ number of hours worked
 - ✓ time and date work was performed
 - ✓ applicable Kronos code associated with the appropriate budget code number

- All supplemental pay assignments must be conducted at a GISD facility unless done outside the district. Deviations must have prior approval.

- All supplemental pay must be recorded as hours worked at the preapproved hourly rate. No lump sum payments are permitted without a completed "Supplemental Pay Deviation Request" form and approval of the Chief Officer.

- All Kronos supplemental pay codes must be requested in advance and approved by the administrator or principal responsible for those supplemental pay funds, along with approval from the Business Office.

- Supplemental pay entered via Kronos will be approved by the appropriate principal, supervisor, or manager through the Oracle approval workflow. Unless otherwise noted in the Payroll Calendar, all approvals must be completed in Oracle by the 15th of each month.

- The Supplemental Pay rates are preset and coded to the approved Supplemental Pay Element in Oracle and cannot be changed without a written request submitted and approval from the Chief Officer or their designee. If approved, the changes will be added to the Supplemental Pay Rate schedule.

2025-2026 Supplemental Pay

Guidelines for Supplemental Pay

- Supplemental pay must be budgeted within the school budget in fund 199 or approved project; no supplemental pay may be paid with 461 or 865 funds without prior approval from the Finance Office.
- Employees shall not receive additional compensation for work within their assignment or position scope if it occurs during regular working hours within the published contract work dates unless specified in these guidelines.
- Before or after school duty, hall duty, CNS duty, bus duty, or other similar types of tasks that occur occasionally or on a rotating basis and occur within official school hours are considered part of the regular teaching assignment and are **not eligible** for additional compensation.

Employees are responsible for paying both the employee and employer benefits and tax costs over what TIA funding covers. Actual TIA compensation amounts distributed will include deductions for federal income tax, Medicare tax, and TRS contributions as part of an employee's annual wages reported to the state and federal governments and the Teacher Retirement System (TRS).
