

Tryout Informational Packet 2025-2026 Sachse Swingsters and Lariats

New for 25-26 Sachse is taking Freshman on Swingsters

Hustle With Kindness Culture *Demerits Apply*

***Respond to instructions.** Verbally and physically responding signifies you clearly understand what to do. Failure to respond is interpreted as disrespectful. The entire team will participate in conditioning until we learn to respond as a team. It is expected that students look at the coach when she is speaking.

***Give your attention** to others when they are addressing the team. This includes turning your body to look in the direction of that person as well as body language. It is expected that students look at the coach when she is speaking.

***Make yourself available to help:** Interact with and mentor others with kindness and support.

***Approach practice with a professional attitude:** Dance full out unless told otherwise in order to maximize practice time. Swingsters do not talk during instruction. Practice on your own weekly!

***Hustle everywhere!** We only have 8 hours of UIL practice time per week, let's hustle.

***Critiques:** Allow Director and Officers to make critiques. This is not criticism. Critiques allow for growth. Eyes and ears open, mouth closed. To maximize time and the opportunity for growth, students follow directions quickly and correctly.

***Our Swingsters locker room is an inclusive space for the varsity drill team provided by SHS .**

Keep your locker area and the countertops clean and tidy at all times. Absolutely no food or drink other than water. Students adhere to the time frame provided for gathering belongings following performances and exit the locker room in full uniform following performances.

***Swingsters are leaders in our school.** It is expected that you become a good follower so that you can become a good leader.

***Locker room.** Varsity members should not let Non Varsity team members in the locker room. No food or drinks other than water. Clean up after yourself, clean off the countertops each day.

Swingsters and Lariats**

Dear Parents/Guardians and SHS Swingster Hopefuls,

Thank you for your interest in the Sachse Swingsters Varsity Drill Team Program. We are excited for the opportunity to work with you during the tryout process!

Swingsters is a high energy, fast paced and competitive spirit program at Sachse HS. The dancers and I are goal oriented, driven and passionate about producing stellar performances. Hustling and following directions correctly the first time is a non negotiable for our team.

As Director, my teaching philosophy is centered around accountability, competition, good manners, structure, dedication and attitude. It is my goal to provide students with a structured and welcoming environment. An encouraging classroom environment where structure and accountability matter can motivate students to reach their full potential.

Leadership comes from the top. Our student leaders are expected to model a positive attitude and mentorship. Mentoring students to show acts of compassion such as community service will positively impact each of us.

Teaching students to take pride in the integrity of the work not only prepares our young people for life after high school, but also builds character traits that will carry them through life.

Being a Swingster requires a great deal of time and effort. Please read through this packet carefully to ensure you are well informed before auditioning for the program.

If you have any questions, please email me at dcraig@garlandisd.net.

I look forward to meeting you all!

Sincerely,
Diane Craig, Sachse Swingsters Director

Dear Parents/Guardians and Lariat Hopefuls,

Thank you for your interest in the Sachse Lariat JV Drill Team Program. I am excited for the opportunity to work with you! I know it will be a year to remember for you as a Lariat at Sachse High School.

Lariats is designed to prepare you for Varsity Swingsters and learn the Sachse Way. Lariats will be a great opportunity for you to develop your dance skills, make new friends, display school spirit, compete at regional competitions and be a part of an award-winning organization.

Being a Lariat requires a great deal of time and effort. Please read through this packet and the Fine Arts Handbook carefully to ensure you are well informed before signing up for the program.

A parent/guardian must be present with your dancer in the Face to Face Information meeting held at SHS. All information about Lariats and the upcoming school year will be provided. You must be present at the meeting in order to try out for Lariats!

The Director will communicate through Canvas, email, and Band. It is encouraged that parents check Canvas, Band, and their email once a week for updates.

Officer candidates and parents/guardians must attend an additional information meeting regarding Officer Tryouts. Our officer hopeful meeting will be held right after the informational meeting! More details coming soon!

I look forward to meeting you all!

Sincerely,
