Goal

- Garland Independent School District will ensure ALL students graduate prepared for college, careers, and life.
    - Focus on critical academic years to ensure long-term success
    - Focus on college and career readiness

The Garland Independent School District Human Resources

Human Resources is responsible for the strategic planning, design, implementation, administration, and communication of all district compensation programs, ensuring they support and align with the district's strategy and culture.

Responsibilities:

- Oversee the design, implementation, and administration of district compensation programs.
- Recommend and administer compensation policies and procedures to promote competitive, equitable, and consistent pay practices.
- Analyze district needs and labor market data to ensure compensation programs remain competitive and support the recruitment, engagement, and retention of highly qualified employees.
- Monitor and evaluate compensation practices on an ongoing basis to ensure effectiveness, compliance, and alignment with district goals.
- Develop and maintain salary structures that support internal equity and external competitiveness.
- Conduct job evaluations, in collaboration with TASB when appropriate, to determine the proper pay grade for each position, considering job descriptions, market data, and internal equity.
- Review assigned duties when developing new job descriptions or revising existing ones.

Compensation Policies

DEA — Compensation and Benefits: Compensation Plan

The district's compensation plan and **General Pay Increase** (GPI) are developed by the Superintendent and approved annually by the Board of Trustees as part of the budget process, and given to employees to recognize continued service to the district. It establishes structured salary schedules, pay grades, stipends, and other forms of compensation designed to ensure pay is competitive, equitable, and aligned with job responsibilities, qualifications, and market

conditions. Employees are compensated within approved ranges, and any pay adjustments are made in accordance with the district's budget and established guidelines. The plan is administered in compliance with applicable state and federal laws and is reviewed periodically to maintain consistency, fairness, and fiscal responsibility across all positions.

DEAA — Compensation Plan: Incentives and Stipends
The district may provide incentives and stipends as part of its compensation plan to support strategic goals, recognize performance, and compensate employees for duties beyond their regular assignments. Stipends may be paid to employees who take on extracurricular or supplemental responsibilities, with eligibility and amounts determined by the district and applicable guidelines. Incentive payments, including those tied to state or grant-funded programs, are awarded based on performance or program criteria and are not considered part of an employee's base salary. All stipends and incentives are administered in accordance with legal requirements, including wage and hour laws, and are subject to district procedures, funding availability, and program participation.

DEAB — Compensation Plan: Wage and Hour Laws
The district administers employee compensation in compliance with applicable federal and state wage and hour laws, including the Fair Labor Standards Act (FLSA). Employees are classified as exempt or nonexempt; nonexempt employees are compensated for all hours worked and are eligible for overtime or compensatory time in accordance with legal requirements. The district ensures accurate timekeeping, proper calculation of wages, and adherence to rules governing work time, including meal periods and duty time. All compensation practices are implemented to maintain legal compliance, minimize risk, and ensure employees are paid fairly and consistently for all compensable work.

Compensation Framework
The district's compensation plan consists of salary pay grades with established ranges approved by the Board of Trustees. Salary ranges are based on market rates for benchmark positions and are regularly reviewed through compensation studies to ensure competitiveness. Employees are paid within the range assigned to their position.

With support from the Texas Association of School Boards (TASB), the Human Resources department evaluates positions through a systematic review process and, based on this analysis, assigns each position to a pay grade reflecting its relative market value.

Job Descriptions
Job descriptions are essential to administering the compensation system. Human Resources maintains accurate, up-to-date job descriptions that define the qualifications, purpose, duties, responsibilities, and working conditions of each position, and reviews job titles to ensure they consistently reflect the level and nature of the work. Immediate supervisors, in conjunction with department heads, are responsible for submitting any proposed changes to job descriptions or job titles to Human Resources for review and approval.

All district job descriptions are maintained by Human Resources and are available on the district website for employee and public access. Employees may review current job descriptions, including qualifications, duties, and responsibilities, at the following link: GISD Job Descriptions

Job Classification
Job classification determines a position's pay range and is based on job requirements, assigned duties, and market value. Positions are evaluated using common factors such as required knowledge and skills, duty complexity, accountability, and working conditions.

Job Reclassification
A job reclassification occurs when a position is assigned to a higher or lower pay range. Reclassification may result from significant, sustained changes in duties, the need to address internal equity, or shifts in the labor market.

Requests for job reclassification must be submitted to Human Resources for review by the department head and must include the proposed change, a clear justification outlining the need for the change, an analysis of any budgetary implications, and the Deputy Superintendent's pre-approval. Human Resources will evaluate the request and make a recommendation in alignment with the district's compensation structure and the external market. Final authority for job classifications rests with the Superintendent or designee.

Assignment or Reassignment

Policy DK (Local) authorizes the Superintendent or designee to assign and reassign employees and establish work schedules in line with the district's operational needs. Reassignment may include moving to another position, department, or worksite within the same professional capacity and without altering contract status. All assignments and schedules are determined based on staffing needs, program requirements, and the best interests of the district.

A **promotion** is the reassignment of an employee to a position with greater responsibility, a higher organizational level, and a higher pay grade or salary range. Promotions typically result in an increase in base pay and may include expanded supervisory, instructional, or program oversight duties. All promotions must be approved in accordance with district hiring and compensation procedures.

A **demotion** is the reassignment of an employee to a position with reduced responsibility, lower organizational level, or a lower pay grade, which may result in a decrease in salary. Demotions may occur due to organizational changes, performance-related reasons, certification requirements, or at the employee's request, and must be administered in accordance with district policy and applicable law.

A **lateral transfer** is the reassignment of an employee to a different position, campus, or department within the district that maintains the same or equivalent pay grade, salary range, and level of responsibility, typically without a change in base pay. Lateral transfers may be voluntary or involuntary and may occur to address employee requests, enrollment changes, program needs, or other operational considerations.

Salary Placement of New Hires

Salaries are based on an employee's verified years of related experience noted on their application or official service record at the time of hire. Salary guides are developed and approved annually and do not guarantee future increases. No employee will be paid below the minimum of the assigned pay range.

Salary Credit for a Teacher with twenty-five or more years

Years of experience are the total creditable years of service (CYS) completed at the end of the previous school year. New teachers to the district with 25 or more creditable years of service will start at step 25.

TRS Credit for Teacher with prior Teacher Assistant Experience
Effective May 5, 2005, a teacher assistant who earns a standard Texas teaching certificate during the 2004–2005 school year or later may receive up to two years of credit toward teacher salary placement when hired as a teacher. Experience must be verified on the teacher service record (Amendment 19 TAC §153.1021(m)).

One year of teacher salary credit will be granted for each eligible year of teacher assistant service, up to a maximum of two years. No more than two years may be applied toward Teacher Retirement System service credit.

Compensation Statements Annual Distribution

Employees are responsible for regularly reviewing their pay statements for accuracy and promptly reporting any suspected overpayments. Failing to report a known overpayment does not waive the district's right to recover the funds.

Overpayments and Payroll Corrections

If an employee is overpaid for any reason, including, but not limited to, administrative error, time-reporting inaccuracies, or system issues, the district retains the right to recover the full amount of the overpayment in accordance with applicable law.

If an employee is determined to have been placed on an incorrect creditable years of service step, the district will correct the employee's salary placement and provide back pay in accordance with applicable law. Back pay will be limited to the current year and up to three prior years, consistent with the statute of limitations for contract claims.

If the employee separates from employment, any remaining overpayment balance may be deducted from the employee's final paycheck to the extent permitted by law or may otherwise be subject to collection.

Mandatory Deductions

The district is required to withhold certain deductions from employee wages in accordance with federal and state law. These include federal income tax, Social Security and Medicare (as applicable), and required contributions to the Teacher Retirement System of Texas (TRS) for eligible employees. Court-ordered deductions, such as child support, tax levies, garnishments, and bankruptcy orders, will also be withheld as required. Unemployment compensation is funded by the district and is not deducted from employee wages. All mandatory deductions are applied in compliance with applicable laws, and employees may not opt out of these withholdings.

Guidelines for Incentives and Stipends

Policy DEAA (Local) governs the district's use of incentives and stipends as part of the compensation plan. The Superintendent or designee recommends stipend schedules and incentive programs for Board approval, which may include compensation for supplemental duties, extracurricular assignments, or performance-based initiatives. Stipends and incentives are not part of base salary, are determined at the

district's discretion, and are administered in accordance with established criteria, program requirements, and available funding.

Stipends are compensation that can be established on a regular basis, with an equal amount over the length of a contract or a specified period of time. Human Resources must approve a stipend that is not attached to a position, such as travel expenses, or given due to employee status, such as advanced degrees or an employment assignment, after consultation with appropriate administrators.

Advanced Degree Compensation is provided upon verification of qualifying credentials. Employees must submit official transcripts (photocopies are not accepted) to Human Resources at HR-Records@garlandisd.net to be eligible.

For new hires, supplemental pay may be applied retroactively based on the employee's hire date during the current school year or the official degree conferral date, whichever is later. For current employees, supplemental pay will be effective based on the date Human Resources receives the official transcripts.

Eligible employees include:

- Classroom teachers at pay grade 100, nurses, and selected positions at pay grade 104 who hold a master's degree are eligible to receive an annual stipend of $1,300. No other pay grades are eligible for this stipend.
- Teachers, professional support employees, and administrators who hold an earned doctorate degree are eligible to receive an annual stipend of $2,000.
- The doctorate stipend replaces the master's stipend and is not awarded in addition to the master's supplement. All stipends are subject to district guidelines and available funding.

The GISD Board of Trustees approved the following raises, effective for the 2026-2027 school year.
Employees who received Teacher Retention Allotment (TRA) and Support Staff Allotment (SSA) for 2025-2026 will continue to receive the allotment.

Classroom Teachers with a PEIMS role ID of 087 Teacher Retention Allotment (TRA) [1]
• 4% step increase
• TRA-eligible teachers advancing from Step 2 to Step 3 will receive $2,500, while those advancing from Step 4 to Step 5 will receive an additional $2,500, for a total of $5,000

Teachers ineligible for Teacher Retention Allotment (TRA) who are non-087 PEIMS role ID
• 4% step increase

Librarians, Counselors, and Nurses
• 4% increase from midpoint plus the $1,000 Support Staff Allotment (SSA) currently being received

Campus Administrative Professional Staff (Administrative Professional and Technology Pay Plans)
• 4% increase from the midpoint

Non-Campus Administrative Professional Staff (Administrative Professional and Technology Pay Plans)
• 2% increase from the midpoint (Exempt)
• 2% increase from the midpoint, plus the $550 SSA (Nonexempt) currently being received

• 4% increase from midpoint plus $550 Support Staff Allotment (SSA)
• Bus Drivers, starting salary $25.25, 4% from new midpoint, plus the $550 SSA currently being received

Pay increases will take effect for the 2026-2027 school year, based on the assigned workdays.		
July 2026	12 month employee	Workdays 215-260
August 2026	11 month employee	Workdays 198-214
September 2026	10 month employee	Workdays 180-197 [2]

[1] For TRA allotment purposes, a classroom teacher is a person who is employed by a school system and who teaches no less than an average of four hours each day, in an academic instructional setting or a career and technology instructional setting, and who works in a role that would typically require possession of a State Board for Educator Certification (SBEC) teaching certification.

[2] Biweekly hourly employees will receive increase effective start of assignment.

Guidelines for Supplemental Pay

Supplemental pay is compensation provided for duties performed outside an employee's regular assignment. This compensation is typically occasional or periodic, and requires appropriate documentation and approval in accordance with district procedures.

All supplemental pay rates and stipends must be Board-approved and included in the District Salary Schedule. All compensation must be processed through the district's payroll system to ensure accurate reporting and compliance with state and federal requirements.

Policy DK (Local) states that supplemental duties are non-contractual and may be ended by either the employee or the district at any time. Employees may voluntarily relinquish these duties by providing written notice to the Superintendent or designee. Because supplemental duties are not part of an employee's contract, there is no guarantee of continued assignment.

Overtime and Compensatory Time

Nonexempt Employees

Employees classified as nonexempt under the Fair Labor Standards Act (FLSA) are eligible for overtime or compensatory time. All overtime must be pre-approved by a supervisor prior to the work being performed.

For hours worked over 37.5 and up to 40 hours per week:

- Compensatory time at straight time, or
- Straight-time pay at the employee's hourly rate

For hours worked over 40 in a workweek:

- Compensatory time at time-and-one-half, or
- Overtime pay at one and one-half times the employee's regular rate

Exempt Employees and Administrators

Exempt employees are not eligible for overtime or compensatory time. Administrators (including central office administrators, principals, and assistant principals) are not eligible for supplemental pay or overtime. However, they may receive additional compensation for work performed outside the scope of their regular duties, provided:

- The work does not interfere with regular responsibilities, and
- Prior approval is obtained from their supervisor

Procedures

All supplemental pay must be entered in the Time and Attendance system and must include:

1. a description of the work performed,
2. the number of hours worked,
3. the date and time the work was performed, and
4. the applicable supplemental code associated with the appropriate budget code.

Supplemental pay assignments must be performed at a GISD facility, unless the work occurs outside the district; any exception requires prior approval. Lump-sum payments are not permitted unless a completed Supplemental Pay Deviation Request form is submitted and approved by the appropriate Deputy Superintendent.

Funding and Limitations

All supplemental pay codes must be requested in advance and approved by the responsible administrator or principal, with additional approval from the Finance or Budget department. Supplemental pay entered in the Time and Attendance system must be approved by the appropriate supervisor through the established workflow. Unless otherwise noted in the Payroll Calendar, all approvals are due by the 15th of each month.

Supplemental pay rates are preset and may only be changed with written approval from the appropriate Deputy Superintendent or designee. Supplemental pay must be budgeted in Fund 199 or an approved project and may not be charged to Fund 461 or 865 without prior Finance approval.

2026-2027 Teacher Incentive Allotment (TIA)

The Teacher Incentive Allotment (TIA) was created by the Texas Legislature as part of House Bill 3. Its purpose is to provide a financial incentive to help attract and retain highly effective teachers at traditionally hard-to-staff schools.

Eligibility for TIA Designated Teacher
Eligibility information may be found on the district website: Teacher Incentive Allotment (TIA) Eligibility

Performance Pay: Teacher Incentive Allotment (TIA)
For any funds received by Garland ISD for a designated teacher under the Teacher Incentive Allotment (TIA), **90%** percent will be paid to the designated teacher. -The remaining **10%** will be used for training and supporting the system, expansion of the system, administrative expenses, and professional development.
TIA compensation stipends will be eligible for use when calculating retirement benefits for TRS-eligible staff. **Employees are responsible for paying both the employee and employer benefits and tax costs over what TIA funding covers**. Actual TIA compensation amounts distributed will include deductions for federal income tax, Medicare tax, and TRS contributions as part of an employee's annual wages reported to the state and federal governments and the Teacher Retirement System (TRS).
