### Action Item

**Executive Summary:**

The Board is asked to approve the 2026–2027 Targeted Improvement Plans (TIPs) for eight campuses and Bussey Middle School’s updated TIP, which includes its Campus Turnaround Plan (TAP).

Daugherty, Ethridge, Lister, Northlake, Rowlett, Stephens, Sam Houston, and Schrade must develop and implement TIPs under the terms of their Learning Acceleration Support Opportunities (LASO) III school improvement grants.

Schrade also has a state accountability requirement. Its overall D ratings in 2024, 2025, and 2026 place the campus at a consecutive unacceptable performance count of one. Bussey’s count of two requires a TAP under Texas Education Code §39A.101.

The Board will consider approval after the public hearing on Schrade’s TIP and Bussey’s updated TIP. Approved plans will be submitted to the Texas Education Agency (TEA) for review and approval, as applicable. Implementation will follow grant and state accountability requirements and any required TEA approvals.
