Falsification of Information Information

The person is liable for the greater of:

The penalties under 37.10 (a penal code dealing with falsifying government records), are as follows:

Any person who knowingly falsifies information on a form required for enrollment of a student in a school district commits an offense under Section 37.10 of the Texas Penal Code, which offense is a Class A misdemeanor unless the person's intent is to defraud or harm another, in which event the offense is a felony of the third degree. Further, such person is liable to the district if the student is not eligible for enrollment in the district but is enrolled on the basis of the false information. The person is liable, for the period during which ineligible student is enrolled, for the greater of: (1) the maximum tuition fee the district may charge under 25.001(h)(1)(2), Texas Education Code; or (2) the amount the district has budgeted for each student as maintenance and operating expenses. A class A misdemeanor is punishable by a fine not to exceed \$2,000.00; confinement in jail for a term not to exceed one year; or both such fine and imprisonment. A third degree felony is punishable by a prison sentence for any term of not more than ten years or less than two years and additionally, by a fine not to exceed \$5,000.00.

I have read the falsification of information penalties and understand it is a criminal offense to present false information to enroll a student in a public school. I agree to notify the school district of any change in residency status represented in this document. I realize that a lack of proof of residency in the Garland I.S.D. may result in immediate withdrawal of the student from school.
