Questions and Answers

Question 1: A root cause analysis process requires that district and school staff be part of the process to build capacity and jointly determine the root cause connected to the inequitable outcomes. To that end, for the racial equity audit is the district open to having the audit conducted alongside district and school staff or would the district prefer the audit be conducted by the consultant and provide results from the audit to the districts with minimal participation from the district and school staff?

Answer: We do want our school personnel to be actively engaged in the audit process to a high degree.

Question 2: Do you anticipate extending the bid due date?

Answer: Please note above change in submission date.

Question 3: What additional details are you willing to provide, if any, beyond what is stated in bid documents concerning how you will identify the winning bid?

Answer: We will have an evaluation committee to evaluate all bids to choose the best provider for the services we are seeking.

Question 4: Was this bid posted to the nationwide free bid notification website at www.MyGovWatch.com/free? Other than your own website, where was this bid posted?

Answer: This RFP was advertised with the Daily Commercial Record Newspaper and is posted on the State of Texas website <http://www.txsmartbuy.com/esbd>
