<p>Will Garland ISD and/or each campus select one brand of apparel/uniforms (Adidas, Nike, Under Armour) or will they just select one service provider for multiple brands? If the district is going to select brands by campus, can we submit offers for multiple brands?</p>	<p>GISD reserves the right to award this contract in the best interest of the District. Each proposer shall determine the content of their proposal submission based on their product line availability. Refer to 1.2.3 Multiple Awards and the Evaluation Criteria for additional guidance.</p>
<p>Could you please help us understand exactly what article (1.2.2) means? We have over 13 facilities across the nation and one in Irving Texas as well as over 50 employee's based here in Texas. But our corporate office is based in Ohio. I guess what I am asking is, with this article below (1.2.2) listed would it give a company submitting a proposal with its "Principal Place of Business" located in Texas, but a smaller employee base than we have in the State a more favorable advantage?</p>	<p>Review the Evaluation Criteria and the points associated with each area, specifically Item # 8.</p>
