Requests for square footage should be submitted to Paul Gonzales, Director Maintenance ppgonzal@garlandisd.net Information will be available no later December 21, 2016, 12:00 p.m.

Question #40:

Please clarify the expected format of proposal to be delivered. Beginning at page 28, a number of “exhibits” (which we understand to be additional items above and beyond the main proposal) are expected to be included “...with [our] proposal submission...” but there is no indication of what constitutes this main “proposal submission.” RFP item 1.1.11 (p.3) – Please clarify this statement. There is no number of pages listed on the front of the document as specified in the paragraph.

Response #40:

There are 59 total pages of this RFP.

“All pages of this Request For Proposal are to be returned with your proposal”

Question #41:

I-Supplier Portal (p. 13): Is this required prior to or along with our proposal submission? What specifically needs to be done for this requirement leading up to our proposal submission?

Response #41:

This step needs to be completed before any business may be conducted with your firm.

Question #42:

Subsequent to an award and the start of service, what is the scope of the use of this program, specifically as it relates to the required duties/responsibilities of the i-Supplier contact person, whose information is requested on the same page.

Response #42

The iSupplier portal allows communication between the contractor and District personnel. The registration in iSupplier gives Garland ISD the required company information, such as the W9. The contact email for the firm established in iSupplier will be the email address where all notifications are sent, including Purchase Orders issued. The iSupplier contact person will have access to the company profile which will allow a review of all Purchase Orders and invoice payments.

Question #43:

The information on pages 16 and 17 seems to indicate that acceptable pricing is based solely on direct labor (i.e. cannot include any supplies, equipment, overhead, etc. costs). Please clarify: is the hourly rate the invoice is based on intended to be a fully loaded billable rate, which would include all overhead, direct and indirect costs?

Response #43:

This is a fixed fee contract, with the exception of labor, which will be billed based on actual cost incurred not to exceed the amount proposed for labor and benefits, rows 12 and 21 of the price sheet.

Question #44:

Several sections of the RFP seem to suggest work that would be performed by a day porter. Which buildings require porter service and on what schedules (8 hours per day, 6 hours per day, etc.)?

Response #44:

8 hours per day, and covers all buildings.

Question #45:

If porters are required *in addition to* standard cleaning services, are the labor hours for this service included in the FTE hours specified on the site list? Also are supervisor hours and labor hours for periodic services included in the FTE hours on the site list?

Response #45:

Yes

Question #46:

What is the Scope/extent of the "Recycling program" implementation? Is there already a program in place, and the successful bidder will be responsible merely for managing the program? Or will this need to be designed from the ground up?

Response #46:

Yes, and being updated with City.

Question #47:

Meeting/event setup & takedown: billable as an extra service (outside of the normal scope/stated pricing)? If it is to be included in the main pricing, please provide a schedule of events and activities requiring such service

Response #47:

Weekend only.

Question #48:

Should the cost for "as needed" services such as major carpet extraction, strip/refinish etc. be included in the cost, or are these intended to be billed separately as extra services?

Response #48:

Included.

Question #49:

What does the quarterly "Recondition Tile areas as necessary" task listed in the Public Areas section of the scope refer to? Is this scrub/recoat, burnishing, etc.?

Response #49:

Yes

Question #50:

Stadium cleanup – please provide a schedule of games and other events to allow for accurate cost estimates.

Response #50:

Attached as "Amendment #2 Exhibit C"

Question #51:

“Wash clean all interior and exterior glass/windows: s this referring to the interior and exterior of outside windows only, or is this for partition/classroom/office interior windows as well?”

Response #51:

All

Question #52:

In Exhibit IV, the question states: Please insert sample job descriptions for personnel used at the various school types. What are the school types? Middle School, High School, Academy, Centers (Technology, Career/Technical) Regular vs Seasonal

Response #52:

Porter, Lead, Night and Supervisor

Question #53:

Regarding Staffing worksheet in Exhibit VI: Normally when we build our pricing, periodic work is spread out over all 12 months for each contract year. As a result, the calculated labor cost would be consistent from month to month. Would this method be acceptable to for the monthly labor costs provided on this worksheet? Do you have a preferred format or worksheet for this?

Response #53:

Yes

Question #54:

Regarding question number 8 under exhibit X. The question states: How will security issues/concerns be addressed? Typical examples of security issues included failure to call or notify security before leaving the building and doors or windows left unlocked.

Are we required to call security before leaving the building?

Response #54:

Yes, only if not scheduled.

Question #55:

(p.30 – Questionnaire 5) What does “spot check” refer to? Is this a random test of the cleaners skill, or rather our training related to spot cleaning?

Response #55:

Visual inspection and follow-up.

Question #56:

(p. 30 – Questionnaire 7) Does “day people” refer to day porters performing stocking, minor cleaning, etc. Or is this referring to a day cleaning program where the primary routine cleaning is done during the day, while the schools are operating.

Response #56:

Porters

Question #57:

Garland HS/Williams Stadium Field House has 3 separate areas listed with individual sq. footages. Is there a particular reason this site was listed like this? Should these be price as separate sites or together?

Response #57:

Three (3) buildings priced as one.

Question #58:

Regarding a question in Exhibit X question number 7: "What is your philosophy regarding the amount of cleaning area assigned to day people and the timing of duties? Are you looking for information regarding how we assign hours and tasks such as job cards? Are you asking how we interact with your employees while cleaning during the day? Or are you asking how we plan to scheduled day cleaners for the scope required?"

Response #58:

Your firm's plan for scheduling is requested

Question #59:

We noticed there are multiple places you asked for references, i.e. Exhibit XIII, Supplier Questionnaire, etc. Would you like references listed in all places or can we refer to one section, such as Exhibit XIII when other places ask for them?

Response #59:

Please list references per Exhibit XIII

Question #60:

There are some items mentioned in the "scope of service" that are not asked for in the Exhibits, i.e. uniforms, recycling program, etc. Would you like information regarding these and if so, do you have a preference on which section? Or is this information we would supply after winning the account but before the transition?

Response #60:

Please include with proposal submission.
