Travel Expense for Section I & II								
Are travel costs included in the cost of the services?	No				It depends on the type of Professional Development workshop. For District events, the cost is per person in which travel expenses are included. For Single-School Events, there is a flat-fee cost for all the participants at that school plus travel expenses and the cost of materials per person. (Please see Attachment 1 - Kagan Fee Structures for more information and further clarification)			
If travel costs are not included, please provide cost information for travel:	Travel expenses will be added to the final order. Every effort is made to locate a professional who is local to the area.
