QUESTION:

I am working on #180-21 for fine arts apparel and accessories. It shows that you would like a percentage discount quote; however, from what I gather it is also requiring a specific quote price. The issue here is that our sheet music covers a wide range of prices. How should I proceed with this matter?

ANSWER:

Per Line, please enter "Percentage Discount" on sheet music

QUESTION:

I am confused how to answer this line item. "Use this line only if your firm is unable to submit pricing on any requested sample pricing lines. Enter .0001 as your response. This line is used solely because no other sample pricing lines apply to your firm. Please acknowledge YES if you have entered a response on this line." I have given prices on some of the items. The items that I have left blank were items we do not offer.

ANSWER:

Per Line 22, Use this line if your firm is unable to submit pricing on any requested sample pricing lines

QUESTION:

What do I use for a reference number under the header page?

ANSWER:

This is a null value and does not require a reference to submit your response.
