Background and Instructions

History of Agreement- This agreement has been drafted by the Texas Student Privacy Alliance (TXSPA). The Alliance is a collaborative group of Texas school districts that share common concerns around student and data privacy. The Texas K-12 CTO Council is the organization that sponsors the TXSPA and the TXSPA is the Texas affiliate of the national Student Data Privacy Consortium (SDPC). The SDPC works with other state alliances by helping establish common data privacy agreements unique to the jurisdiction of each state.  - c. In the event of a breach or unauthorized disclosure, the Operator shall cooperate fully with the LEA, including, but not limited to providing appropriate notification to individuals impacted by the breach or disclosure. Operator will reimburse the LEA in full for all costs incurred by the LEA in investigation and remediation of any Security Breach caused in whole or in part by Operator or Operator's subprocessors, including but not limited to costs of providing notification and providing one year's credit monitoring to affected individuals if PII exposed during the breach could be used to commit financial identity theft.
 - d. The LEA may immediately terminate the Service Agreement if the LEA determines the Operator has breached a material term of this DPA.
