3. QUESTION:

Looking at our previous submissions, we responded to two bids previously for Reference Online Database Subscription. The latest being in 2019, it was a 5 year contract, up this year. Will that same bid be going out again this year or is this bid for reference online database subscriptions and we should respond to this one instead?

RESPONSE:

This solicitation will be open for submission(s) from April 21, 2023 through May 30, 2024. The term of the contract will be one year with 4 annual renewals.

Is this bid only for Fine Arts software or are you accepting other instructional software?
