**ADDENDUM #1, RFP # 321-24 (96550)**

**Textbook and Digital Material**

This addendum modifies the original document as listed below and is hereby incorporated to the contract documents. Acknowledge receipt of this addendum by returning the completed and signed form with the solicitation response. Failure to submit the addendum may be used as an evaluated factor.

Adding missing certifications to the solicitation:

**SOLE SOURCE**

If the proposer professes to be the exclusive source of the item(s) or service(s) requested herein, the proposer must provide with its proposal a written statement to the fact that the sole source is due to one or more of the following (as applicable): a patent, copyright, secret process, or monopoly; a film, manuscript, or book; a utility service (electricity, gas, or water); or a captive replacement part or component for equipment. Such statements must be signed by the owner or corporate official of the firm submitting this proposal and must be notarized. This declaration shall not exempt the proposer from signing and submitting a signed proposal.

**FUNDING AGREEMENTS**

Proposer certifies that if the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

**CLEAN AIR AND WATER POLLUTION ACT**

Proposer certifies that it is in compliance with the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended.

**ENERGY POLICY AND CONSERVATION ACT**

Proposer hereby certifies that it (or its firm hereby represented) that it is compliant with Certification of Compliance with the Energy Policy and Conservation Act - When federal Funds are expended by Garland ISD for any contract resulting from this procurement process, the Supplier certifies that the Supplier will be in compliance with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6321, et seq.; 49 C.F.R. Part 18).

## **RECOVERED MATERIALS**

Certify that the percentage of recovered materials to be used in the performance of the contract will be at least the amount required by applicable specifications or other contractual requirements, and estimate the percentage of total material utilized for the performance of the contract which is recovered materials, in accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

## **BYRD ANTI-LOBBYING REQUIREMENTS**

Proposer certifies no Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement imposed by section 1352, Title 31, U.S. Code.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the proposer shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions <https://www.whitehouse.gov/sites/default/files/omb/grants/sflllin.pdf>

## **DOMESTIC PREFERENCES FOR PROCUREMENT**

(a) As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

(b) For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

**1. QUESTION:**

I could not find information on the courses the bid is for. If you could let me know if this includes world languages - Chinese & Japanese that would be greatly appreciated. If it does, what are the estimated enrollments and course levels for Chinese & Japanese?

**RESPONSE:**

The District is seeking textbook publishers and distributors for state-adopted, non-adopted, used supplemental textbooks, consumables, and other printed and digital material for students and teachers in Pre-K through 12<sup>th</sup> grade for all the subjects. If none of the lines align with the scope of services that your company provides, you are welcome to use the catalog discount line located in the general requirements.
