**1. QUESTION:**

How many single event tickets are sold per year?  
Are season tickets/season passes sold for any events?

**RESPONSE:**

For the last three fiscal years, the average number of single event tickets sold is 136654.  
We do not have any events that have season tickets/passers but we would like that to be an ability of the ticket vendor in case we do acquire clients who would have that option in the future.
