ADDENDUM 1, RFP #308-25 (146588)

Fire Extinguisher Recharging, Inspection Services, and Equipment

This addendum modifies the original document as listed below and is hereby incorporated to the contract documents. Acknowledge receipt of this addendum by returning the completed and signed form with the solicitation response. Failure to submit the addendum may be used as an evaluated factor.

1. QUESTION:

For extinguishers that need to be recharged, can the extinguishers be swapped out for a similar extinguisher or do you require the same extinguisher to be recharged and returned?

For extinguishers that need to be recharged, will they be need to be picked up from each school location or will they be picked up and dropped off at a central location?

For the quote, what is meant by "Minimum Release Amount?"

RESPONSE:

Fire extinguishers will need to be picked up and serviced, then returned to GISD. Swapping Fire Extinguishers shall not be done unless approved by GISD.

Fire Extinguishers will be picked up and dropped off at a central location. Currently, that location is the Padgett Building, located at 701 N. First St., Garland 75040 but it will be moving to the old Williams Elementary School, located at 1821 Oldgate Ln, Garland 75042.

For the quote, "Minimum Release Amount" means, if a certain amount needs to be ordered/spent on a Purchase Order.
