1. QUESTION:

Regarding the subject bid, can we “no-bid” the line items and provide a catalog discount % only?

RESPONSE:

Yes, you are able to no bid the lines and add a catalog discount. As long as the products fall in line with the scope of the RFP.

2. Question:

We wanted to see if your school district can purchase from the cooperatives? Or, do we need to respond to be an approved vendor?

Response:

No, a submission is not required. It is up to the company whether or not they would like to submit a proposal. When you submit a proposal through GISD you will become an approved vendor.

Does this RFP include digital instructional materials (such as web-based supplemental learning programs) or is the RFP seeking only the specific physical instructional materials and supplies listed in the line items in the portal?

Response:

4. Question:

If digital instructional materials are covered under this RFP, can you please provide some guidance as to where we would include pricing since the line items in the portal do not fit our programs?
