	<u>Questions</u>	<u>Response</u>
1.	Please can you clarify if software services are intended to be included in the scope of this RFP?	No, software services are not included in the scope please refer to the specification page for full scope.
2.	Are vendors allowed to submit dealer discounts since the required options and particular sizes, brand name and model numbers are not given. Please confirm.	Yes, vendors may submit a percentage discount. Since specific sizes, brands, and model numbers are not identified, vendors may provide a discount percentage in the General Requirements section. To offer additional goods and/or services not specifically listed in this solicitation, vendors must state the percentage discount off their current catalog or published pricing that will be extended to Garland ISD for the full term of the contract. If no discount is offered, the vendor must indicate a discount of 0%.
3.	If pricing is needed, we would need all the required options and particular size for all items.	Pricing must be provided for all items your firm is proposing to furnish under this solicitation. If specific options or sizes are not identified, vendors may submit a current catalog and/or price list that meets the scope of work. When

	submitting a catalog or price sheet in lieu of itemized pricing, the vendor must clearly state the percentage discount off catalog or published pricing that will be offered for the full term of the contract (Refer to Question 2).
