1. Question:

Are we required to respond, if we are currently an awarded vendor for Bid #302-25-04?

Answer:

Garland ISD can't tell you whether or not you should submit a proposal that decision is up to the company on how they would like to proceed. This contract will be good until 2031. If you currently have a contract open with us that is under the same scope and you submit on RFP 302-26-03 and get awarded. The new contract will supersede if it submitted for the same scope.
